

Donations & Sponsorships

American Auto Body has been proud to be a part of the Billings community since 1985. American Auto Body is a family owned business that takes pride in our ability to give back to Billings and the surrounding communities. We are always looking for new ways to give back and support fellow members of our community who have helped to make us the successful business we are today.

This form aids us in our ability to review the requests that we receive for; donations, sponsorships, and advertising. This helps us to choose requests that we have not anticipated for our budget. Our staff will meet once a month to evaluate your requests, we will get back to you by the 20th to notify you on the decision we have made regarding your request. If your request requires immediate attention on our behalf (i.e. an upcoming deadline) please let us know so we can attempt to address your concerns.
